

Media Movers have a wide range of tray packs, these products are widely considered to be the best disc packing options available today. They look stunning and are highly versatile. If your project needs to stand out from the crowd or your requirements are not met by off-the-shelf packing types then you should really consider these solutions. The basic option holds 1 disc, and a 4 page booklet. Ranging up to a massive 8 discs packed into an outer holding box.

Benefits:

- Stand out from the masses and get noticed!
- High perceived value. Looks like no expense spared
- Customize with multiple options

Available Options:

- Pantone colours
- Metallic foil
- Gloss cello
- Mat cello
- Spot gloss
- Emboss slipcase
- Cello wrap
- Multi disc capacity
- Booklets (glued or inserted)
